RED indicates a grass site that is used beyond the recommended **200 group uses** (Gale Associates), and/or more than **400-600 hours** of use per year (Weston & Sampson).

NOTES:

Cochituate Ball fields, designed for Baseball and Softball are used for Lacrosse and Football. Typically both fields are reserved as one site.

WHS Softball is designed for softball and used for Soccer in the Fall.

WHS JV Baseball is designed for baseball, it's footprint overlaps with JV Football, Field Hockey, and Lacrosse.

TB Soccer field was under renovation in Fall 2017, no reservations.

WHS and WMS Fields are reserved from 8:00am - 6:00pm during school operating hours, the stats here reflect only the usage of WHS Athletics after school dismissal times on school days.

Does not include Phys Ed, recess periods or school day usage.

Claypit Field Site is the average of all 7 rectangular fields at that site, typically reserved as one site.

**this version was revised from a previous used 9/20 version; some edits were made to deduct known reservations that went unused.*
